Message from our Lt. Governor:

My fellow Mayflower Descendants: Greetings!

Please join us on Saturday, August 17 at Mr. Gus' Ristorante. It is on the corner of Atlanta Hwy and Bell Road, located directly behind the Wells Fargo Bank. We'll have choices of entrees and desserts. A luncheon menu is included for your convenience. This will be our first gathering at the restaurant, and I think it is a good venue for our Capital Colony. They have all the electronics we need for our program. Please send me your feedback within a few days after the event. Your opinion is important to me.

Our program will be "The Pilgrim's Long Journey to the New World" that centers on the Separatist's reasons for seeking a place to worship freely. The information will add a new dimension to our understanding of that brave little group of people who risked everything to worship God as they saw fit.

I encourage each one of you to plan on attending the meeting and enjoying fellowship with your fellow Mayflower Descendants. Thank you for your attention to this invitation. Hope to see you there.

In Kindred Spirit,

Edward H. Phillips, Lt. Governor

A final count must be given to Mr. Gus' on Tuesday, August 13 and we will be responsible for each reservation.
