WHY:

Because, as the new Lt. Governor of the Gulf Coast Colony, I want to **MEET YOU** face-to-face. I want to **GET TO KNOW YOU** a little bit. I want to **LISTEN TO YOU** regarding your thoughts and ideas on our Colony. I want to **SHARE WITH YOU** my thoughts and ideas about our Colony and where I would like to see us go over the next (almost) three years in the lead up to November 2020. **AND** I want to do this **OUTSIDE** the structure of a formal meeting (which we will have in May).

Now, I have a favor to ask of you. I gathered together as many email addresses as I could identify of people who are or have been involved with our Colony. But, surely I've missed some. Make sure that anyone you know who *should* see this message received this email. If they didn't, please forward it to them.

Lastly, I would greatly appreciate if you would respond to this message letting me know whether you plan to be at our Meet and Eat (whether you received this message directly from me or someone forwarded it to you). I'd like to have an idea if I'm gonna be sitting there by myself or if I need to get the diner to add extra staff!

In closing, I will continue the tradition of my predecessor and simply say...

Yours in Kindred Spirit,

Kevin Sellew
