

Society of Mayflower Descendants Gulf Coast Colony

To All Gulf Coast Colony Members-- Greetings from the Lt. Governor of the Gulf Coast Colony

The Gulf Coast Colony, Society of Mayflower Descendants in Alabama, will host the Annual State Meeting and Luncheon on May 7th at the Heron Lakes Country Club in Mobile (see attached flyer). This meeting provides colony members an opportunity to meet the state officers and learn about the activities and programs at the state and national levels. Also, it provides our colony members the opportunity to meet members from the Tennessee Valley Colony and the Capital Colony. A program has been scheduled with an outstanding guest speaker, Mike Bailey, the Executive Director of the Fort Morgan Historic Site. A superb menu has been planned with two entrees. Information about the speaker, the menu, reservations, and directions to the Heron Lakes Country Club will be contained in the SMDAL Newsletter-- soon to be released. Mark your calendars now!

Come, bring your spouse, a friend or a potential new member, and enjoy this fellowship with your fellow members. Let's celebrate the Mayflower Pilgrim spirit!

Yours in Kindred Spirit,
Jack
